### **DC's Report**

Hello Everyone

A new year is upon us again. I hope everyone is ready for their first rally?

I hope you all had a great Christmas Holiday break?

February can be one of our hottest rallies so please remember to wear sunscreen and drink lots of water. Also walk between classes. Be aware of your ponies needs. If he is hot or tired give him a rest. I know that this is your first rally for the year and you may be excited to get back into the swing of things but a lot of ponies will not be used to a full day of riding and may need a few rest breaks during the day.

At this stage I am unsure whether we will be doing x country or games at this rally. The racecourse committee has promised to cut a path on the x country course. But I do not know if will be done before the rally. Until the x country course is cut it is unsafe to ride out there. So I have put games in as a backup plan.

I would like to remind you all about upcoming pony club events before our February rally so you can put your hand up to help or fill in paper work on the rally day.

Our Horse Trials are fast approaching. We need people to volunteer their time to help this event run smoothly. If you have not already volunteered, please see Greg Snape at the rally. I'm sure he has plenty of jobs that need doing.

Lastly Games and Flat Teams Zone competition are coming up. If you are interested in forming a games or flat team please see me. If we get enough interested members we will try to organise teams. If you are over 14 and wish to be on the games or flat team you must have your C certificate. C certificate testing is in March. Paper work must be completed and handed in at the February rally so that it can be sent in by the deadline. I will have forms at the rally. So if you wish to do your C certificate come and see me.

I'm looking forward to seeing you all at our February Rally

Katrina
