Hello Everyone

I hope you all enjoyed the Pink Rally last month? I believe we raised over \$100.00 for Breast Cancer research. I love that a lot of members put in the effort to come in pink and to bling out their ponies. There were some amazing costume ideas. The person who I thought was the most creative and most enthusiastic on the day was Bree Cocks. So Bree, on rally day, pop into the canteen and choose a free chocolate bar.

We also drew the winner for the Equitanna tickets. The lucky winner was Brielle Snape who lately has been cleaning up and winning a lot of raffles at pony club events. Just a friendly warning to everyone....if Brielle buys a raffle ticket, don't buy one. She's on a lucky streak!

**Now onto our November rally.**

**For those of you who are unaware, we are running a mini Combined Training Day at this rally, a warm up for our Combined Training Day! The Shetland group will go to the yard at 10am and Gerard, Michelle and your parents will work with you for your invitational combined training. Remember, everyone who participates in the invitational section will receive a participation ribbon.**

**For the rest of our members, your day will start at 9am and run according to the rally plan and the schedule I have included in this newsletter. It will show your number and what time you will be competing in the combined training part of the day.**

**For the other 2 classes of the day you will be with Mel and Debbie. Please meet at the cross-country gates for these classes unmounted. Mel and Debbie will then go through their rally plan with you.**

**Also, I wanted to remind everyone that we will be handing out ribbons to 3<sup>rd</sup> place and a participation ribbon to all riders that compete in the invitational section. This will be done at the end of the day. So please everyone be patient with me as it's a big job for me to add up all the scores on top of my normal rally jobs.**

**I would appreciate parents help. We need you to help set up a dressage arena and show jumping. We also need you to help with pencilling for dressage and show jumping and jump stewarding. Looks at this as a practice run for our combined training day. It gives you a chance to try something without the pressure of a competition environment.**

**Another thing that I wanted to mention is that we are still looking for people to volunteer for the following roles at the Combined Training Day on November 16<sup>th</sup>. We need gear checkers, more set up and pack up volunteers, canteen helpers and dressage pencillers. If you haven't already put your name down please come and see me at the rally.**

Thank you. I hope to see you all at the November rally.

Katrina
